CHRISTMAS BIRD COUNT

Send all birding information to her email

Great Backyard Bird Count

Send all bird information to her email

RESOURCES

Click the title and it will bring up the website

[Great Backyard Bird Count](#)

- This count takes place in February every year. Click the title to bring up the website and learn more information about this bird count.

[Christmas Bird Count](#)

- This count takes place near the end of the year. This is a one day count within a 15 miles radius located in Sac County. Click the link to learn more about how this count is done and any other questions you may have.

[Iowa Ornithologist Union](#)

- Bringing together birders of all skill levels. Click the title to be taken to their website.

[Iowa Audubon](#)

- The mission of Iowa Audubon is to identify, protect and restore Iowa's bird habitats, to educate Iowa's citizens toward a greater level of conservation awareness, and to promote enjoyment and greater pride in Iowa's natural ecosystems, birds, and other wildlife. Click the link to find out more information and become a member.

[Building Better Birders](#)

- This is a citizen science project geared to building better birders in the state of Iowa. Click the title to find out more information and see what workshops are in our area.

[Iowa Natural Heritage Foundation](#)

- This link will take you to their Birding for Beginners article. Give it a read and see what they recommend to becoming a birder!

[Bird Friendly Iowa](#)

- Protecting, restoring, and enhancing bird habitats are just some of their goals. Click the title and see what else Bird Friendly Iowa is about.

NonIowa based websites

[Cornell Lab of Ornithology](#)

- A website that is dedicated to birds all around the world. It is connected to the Merlin Bird ID app

[Audubon](#)

- Since 1905, Audubon's vision has been a world in which people and wildlife thrive. Audubon is a nonprofit conservation organization.

[Project FeederWatch](#)

- This website shows which birds are most likely to be found at your feeder. You can sort by region, food type, and feeder type.

Mobile Apps

- 1) Merlin Bird ID by Cornell Lab
- 2) eBird
- 3) Audubon Bird Guide
- 4) BirdsEye
