

RESOLUTION NO. 25-6128B

In the absence of the Maintenance Superintendent, the Engineer can appoint a person as an in-charge Working Foreman. Said employee selected will be paid \$ 3 per hour above their regular rate while working in this capacity for 25 cumulative working days or less.

In the event the Maintenance Superintendent is gone for greater than 26 cumulative working days, the appointed Working Foreman shall be paid \$ 4 per hour above their regular rate while working in this capacity.

Sac County Board of Supervisors
