*Everyone is responsible for obtaining sufficient Continuing Education Hours for recertification. If you attend training other than the hours offered by Sac County, please make sure a copy of that training verification is sent to me at the Sac City Ambulance Office. I will assist in any way possible to ensure the recertification requirements and deadlines are met, however I cannot answer the recertification questions asked by the Iowa Bureau of EMS. This means that it is your responsibility to answer them on line or by sending in the mail. I can only verify whether or not you have the minimum CEH's required, that are on file here at the Sac County Ambulance. Call me with any questions. 662-4481*
